

TERMS & CONDITIONS

Cancellations

We have a strict, three day minimum cancellation policy. As we pre-plan and book you in for your stops along the way, this allows us to communicate with the local foodie businesses in time. If you wish to postpone your trip for any reason, please do so before this time, by either emailing us or calling us. Although we cannot refund, we have a generous 18 month credit timeframe to redeem vouchers and for rebooking.

The consumption of alcohol

As most of our adventures include wine and tastings, we ask that you drink responsibly and in moderation. We urge you to not drink and drive and we take no responsibility for accident or injury.

Please note people under the age of 18 cannot participate in adventures involving alcohol unless they are participating with an accompanying adult.

Covid-19 Safe Practice

We are a COVID safe business.

Please practise social distancing and wear your mask inside businesses when required. Let's continue to keep ourselves, our businesses and our communities safe.

Please acknowledge your understanding of our terms and conditions by ticking our T&C box at checkout.
